YOUR SOUND – YOUR STYLE

With the DCO® SoundStyle earmolds, you transform standard earphones into something special: You get your personal plugs upgrading your earphones to achieve a perfect fit and best sound experience.

Thanks to our large database, we can offer SoundStyle earmolds for more than 300 different systems available on the market.

Due to online ordering and digital manufacturing (3D printing), the delivery time is just a few days.

SOUNDS GREAT

- 3D printed earmold with 100 % customized geometry
- Maximum sound experience
- Ideal sealing and fit
- Easy to insert and remove
- Great color styles
- Easy to clean (e. g. with OtoVita®)
